ANGEL FOOTWEAR

Angel Footwear is a long established footwear manufacturing company based in Durban, South Africa.

The company was started 38 years ago and has grown into one of the largest manufacturers in SA and supplies a wide variety of constructions and specializes in stitch-down footwear and Veldskoens (Hunter Boots).

Angel Footwear has a production capacity of over 5000 pairs per day and is focused on quality, competitive prices and quick delivery. Its distinctive footwear can be found in various large South African retail chain stores.

The company has developed a variety of new brands and ranges in recent years, including "Evox" which is a Mens leather sneaker.
