LUXURY LEATHER ACCESSORIES

Since 2009

“ I wanted something stylish and preferably in ostrich leather, which is not only wonderfully South African, but also has beautiful texture and interesting patterns that add exquisite detail to designs (...) Everything I came across, however, was too old-fashioned and uninspiring for my taste and/or far too expensive. By identifying this gap in the market,

I DECIDED TO DESIGN MY OWN LINE OF AFFORDABLE, EXOTIC HANDBAGS.. ”

CHIMPEL OWNER, MAJDA RABIN
Business Day SA Interview, 4 Nov 2010
