FOOT STYLE

Foot Style shoes are an established house of footwear that sit at the heart of the The World Focus Group. We offer footwear that is locally created, and which encompass authentic South African footwear trends, as well as the trends of the international footwear market.

All materials utilised in the creation process of the Foot Style range are sourced within the The World Focus Group itself and Foot Style boasts the honour of being the only proudly South African treasure in The World Focus Group, in addition to priding ourselves on having the very latest fashions and the best prices in the Southern hemisphere.

The range features comfortable and unique footwear, which bears distinct authenticity to South African style and maintains a unique well-designed nature intended to be of global appeal.
