Nasron Footwear is family owned and funded SME, Footwear Manufacturing Co, based in Durban - KZN, established in 1996, we have grown to be a reputable contributor/manufacturer within the South African Footwear industry...

We pride ourselves on the quality and craftsmanship we apply into every pair of footwear that leaves our doors...

we have a daily output capacity of 800prs Quality 100% South African produced shoes... and service a long-standing customer base throughout South Africa. As per our slogan

"...not your average footwear co..."

...we inherently provide the personal service and dedication to each valued customer we inter-act with. Our aim is to provide the feet of our fellow South Africans with the best possible locally produced shoes we can offer and to build, that conform to international specifications, but at competitive pricing. Our mission is to grow our in-house brands to be a well-known house-hold name with South Africa and neighbouring states.
