## ABOUT US

We are a Proudly South African, SABS ISO 9001 certified company. Fifty-five years on, Palm continues to be a family-owned business, whose cornerstones remain people, quality, service and innovation.

With the production and development of our own raw materials, we are able to deliver responsible, earth friendly footwear, as we navigate our green journey.

Quick turn-around times are the foundation of our legendary service!

## OUR BRANDS

# Trustees

GENUINE LEATHER  
**One ups**  
BY *Trustees*

# Fielder

# terraPOD

SAFE SECURE COMFORT

# Trustees

## FEATURES

- fully breathable
- high scuff resistance
- 6-month guarantee

2 million flexes  
on our soles

All PVC for our school shoe soles and gumboots are both compounded, using our own phthalate-free formulae, and inject at our plant.
